

Work Health & Safety at Playbill Venues

Playbill Venue Management (PVM) is committed to providing a safe working environment for all exhibitors and guests within our venues. As part of our commitment to safety, we require all exhibitors who will be present during the bump in and out periods of the event to complete our online induction.

Induction is easy and takes only 10 – 15 minutes, and accreditation lasts 1 year from the date of completion.

To complete the induction, please go to:

Key Points for Bump IN & OUT periods

- You must wear fully enclosed shoes – no exceptions.
- You must wear a high-visibility vest. These are available from the gatehouse for \$10 on the day if you forget.
- Be aware of your surroundings. If you have any concerns, please let a guard or the safety officer know.

If you have any questions or concerns regarding completion of the online induction, please contact **Jack Christey** on the below details:
