NOTES	This application is for access to the venues WiFi system. It can support up to the maximum number of devices, after which point additional devices must be requested at a rate of \$80 per additional device. All prices are based on a 4 day usage period, and begin the first day of bump in. Additional days of usage can be requested at \$40 per day. Upon receipt of payment, an access code will be sent to you for device login to the venue WiFi.
