### Exhibitor's Responsibilities

An exhibition stand is a workplace covered by health and safety legislation.

As the exhibitor it is your legal responsibility to ensure that a suitable and sufficient Risk Assessment is completed.

This template is for a simple Shell Scheme exhibition stand ONLY, which does not require any structural approval from the Organiser or the Venue.

More complex stands will require a more detailed Risk Assessment and if you are in any doubt you should contact the organiser.

Does your stand include any of the following? If 'YES' you must complete the attached risk assessment (below) for simple stands:

	Please answer	Yes/No
Lifting heavy products during the build-up/breakdown		
Working at height (using ladders)		
Display of anything containing liquid fuel or flammable and explosive substances		
Display of sharp objects, weapons (even replica weapons)		
Demonstrations of any kind i.e Therapies, massaging		
Working electrical appliances other than simple display lighting		
Food service of any kind other than sweets, snacks and soft drinks		
Heat source (any) of including cookery demonstrations, naked flame or burners etc.		
Working machinery of any kind even if static		
Using power tools during the build-up/breakdown		
Portable electrical appliances which have NOT been PAT tested.		
Any other item which might be considered to be a hazard to the health and safety of yourself or those around you.		

**Note this is not an exhaustive list. You are responsible for identifying any aspect of your stand which could present a hazard.**

If you have answered **NO** to all of the above please complete by signing below. If you have answered **YES** to any of the above complete the risk assessment attached.

I declare that to the best of my knowledge there are no significant risks relating to this stand
