**OLYMPIA RIGGING ORDER FORMS  
HOIST & FIX**

Hoist & Fix (required for attaching, raising to final height and to safety off flown items).

NB. All items that require Hoist & Fix, whether carried out by you, a subcontracted company or Outback Rigging require suitable & compliant lifting points. Please see below specific details.

Your order will be processed and payment taken on receipt. However, before rigging is installed, please sign below to confirm that the item(s) to be suspended are designed and certified as suitable for suspension and are assembled using appropriate hardware, steel wire ropes and rated lifting equipment, as required under LOLER (Lifting Operations & Lifting Equipment Regulations 1998), PUWER (Provision & Use of Work Equipment Regulations 1998) and the eGuide (Guidance for Working at UK Exhibition Venues: [www.aeo.org.uk/eguide](http://www.aeo.org.uk/eguide)).

Please provide up-to-date certificates of conformity for any lifting equipment brought to site.
